The screenshot shows the 'Agents - Get Started' page of the CallFire system. It features the CallFire logo at the top. Below the logo, the heading 'Tell us your Agent ID' is followed by instructions: 'You will receive a phone call soon. Your Agent ID will be repeated to you on the call.' and 'Do NOT hangup the phone!. Enter your Agent ID and click login to start your session while staying on the phone.' There is a single input field labeled 'Agent ID:'. At the bottom of the page, there are 'Back' and 'Login' buttons.

The system will then call you at the phone number you typed in. Do not hang up when it calls you. It will then give you an agent ID number to type in on the screen. DO NOT HANG UP

History

Hello, is Mr./Mrs. _____ available? I am a volunteer calling to let you know about some of the major accomplishments of Governor Rick Scott, The Cabinet, and the Florida Legislature, in the first 2 years of his term and let you know Florida is moving in the right direction. 1. Florida's unemployment rate is down 3.1%, its lowest in 4 years: with over 200,000 private sector jobs created. 2. Florida's education system has improved under Governor Scott and will continue with his plans for \$10,000 college degrees and his \$1 billion increase in funding for K-12 education.

The above similar screen will come up and the system will start calling the phone data. On the right side of the screen the name of the person being called will pop-up.

If you need to hang up a call you may do so and Click to the next caller.

If an answering machine comes on you will need to click “smart drop” then next caller.

As you read the script, there are three options you may give. As the Callee answers the question you may click the box that more closely is his/her answer. There is also an not section that you may type additional notes such as an email or other info.

You may log out by hanging up the phone or pressing logout in red on the screen.

Preferably phone calls should be made between the hours of 9:00 AM and 8:30 PM.
